

Acorn Energy CEO John Moore will be Featured Guest on Fox Business News Channel's "Willis Report" Live—Wednesday, July 28, 2010 at 5:00pm ET

Montchanin, DE, July 28, 2010 - - Acorn Energy, Inc. (Nasdaq: ACFN), an energy technology holding company, today announced that its CEO, John Moore will be featured guest of Gerri Willis on her program, "The Willis Report" live on Wednesday, July 28, 2010 at 5:00pm EDT.

Mr. Moore will be discussing the Reid Energy Bill, which the Senate is expected to begin debating later this week. He will also be speaking about ongoing developments in technology that can help sustain and enhance the existing but aging energy infrastructure.

Acorn is focused on solving three major problems in the energy sector: improving the efficiency of the energy grid, reducing the risk for owners of large energy assets, and reducing the environmental impact of the energy sector.

Check your local TV listings or call your cable or satellite provider for Fox News Channel in your market.

About Acorn Energy, Inc.

Acorn Energy, Inc. is a publicly-traded holding company with equity interests in CoaLogix, Coreworx, DSIT, GridSense and US Sensor Systems, Inc. These companies leverage advanced technologies to transform and upgrade the energy infrastructure around the world.
