

CEO John Moore to Present at Baird Clean Technology Conference on December 1, 2010

Montchanin, DE – November 30, 2010 - Acorn Energy, Inc. (Nasdaq: ACFN), an energy technology holding company, announced today that CEO John Moore will present at the inaugural Baird Clean Technology Conference at the Four Seasons Hotel in San Francisco. The presentation is scheduled to begin at 11:30 am EST on Wednesday, December 1, 2010.

A link to a live webcast of the event is available at the Acorn website at www.acornenergy.com, under "News" in the industry events section. A webcast replay will be available approximately one hour after the live webcast's end and will be accessible for one month following these conferences.

About Acorn Energy, Inc.

Acorn Energy, Inc. is a publicly traded holding company focused on improving the efficiency and environmental impact of the energy infrastructure, fossil fuel and nuclear industries. Our operating companies leverage advanced technologies to transform the existing energy infrastructure. Acorn's strategy is to take primarily controlling positions in companies led by great entrepreneurs and add value by supporting those companies with marketing, strategy and business development. Acorn Energy is a global company with equity interests in CoaLogix, DSIT, GridSense and US Sensor Systems. For more information visit www.acornenergy.com.

Safe Harbor Statement

This press release includes forward-looking statements, which are subject to risks and uncertainties. There is no assurance that CoaLogix, DSIT, Coreworx, GridSense or US Sensor Systems Inc. or Acorn Energy, Inc. will continue to grow their respective businesses, execute the initiatives described above, meet the expectations described above or the Company will achieve the expected consolidated revenue in 2010. Factors which may cause results to differ from those forecasted include delays in (i) orders or production, (ii) contracts processing; (iii) awards of expected contracts; and (iv) development and acceptance of products and services. A complete discussion of the risks and uncertainties which may affect Acorn Energy's business generally and the businesses of its subsidiaries is included in "Risk Factors" in the Company's most recent Annual Report on Form 10-K as filed by the Company with the Securities and Exchange Commission.
