

## **Acorn Energy to Host 2013 Third Quarter Conference Call on Wednesday, November 13, 2013 at 11:00 am EST**

Wilmington, DE., November 5, 2013 - Acorn Energy, Inc. (NASDAQ: ACFN) today announced that John A. Moore, President & CEO of Acorn Energy, will host an investor call on Wednesday, November 13, 2013 at 11am EST to discuss its third quarter 2013 results and developments. The Company will release financial results for the third quarter the afternoon of Tuesday, November 12, after the market closes.

Participants can pre-register for the conference call by accessing this link click [here](#). Pre-registering gives one immediate entry into the call, zero wait time and will automatically populate your outlook calendar with an invitation.

Participants that would like to join the conference call, but have not registered, can do so by dialing US Toll Free 866-652-5200 or International 412-317-6060 and asking for the "Acorn Energy Conference Call", (no pass code required). If you are unable to participate in the live call, a digital replay of the call will be available two hours after the end of the live call through 9:00am EST on Friday, December 13, 2013 by dialing 877-344-7529 or International 412-317-0088 and entering access code # 10036868.

### **About Acorn Energy, Inc.**

Acorn Energy, Inc. is a holding company whose four portfolio companies help their customers achieve greater productivity, reliability, security, and efficiency—factors which can lead to greater profitability. GridSense provides monitoring for all critical points along the electricity delivery system. OmniMetrix remotely monitors emergency back-up power generation systems to increase their reliability. US Seismic supplies fiber optic sensing solutions to increase oil/gas production and lower costs. DSIT provides security solutions from underwater threats to naval and marine based energy assets.
