

Acorn Energy Announces Recent Website Launch

Wilmington, Del., December 17, 2013 - Acorn Energy, Inc. (NASDAQ: ACFN), today announced the recent launch of its new website. The new site will offer timely and important updates that are relevant to the business growth and outlook of Acorn and all four of our portfolio companies. Acorn expects the new website to improve its communications with the investor community as well as individual shareholders.

“In response to investor requests we will soon be posting a shareholder presentation that will be updated on a periodic basis to share new information with our loyal shareholders and the investing public,” said John Moore President and CEO Acorn Energy, Inc.

About Acorn Energy, Inc.

Acorn Energy, Inc. is a holding company whose four portfolio companies help their customers achieve greater productivity, reliability, security, and efficiency—factors which can lead to greater profitability. GridSense™ provides monitoring for all critical points along the electricity delivery system. OmniMetrix™ remotely monitors emergency back-up power generation systems to increase their reliability. US Seismic Systems supplies fiber optic sensing solutions to increase oil/gas production and lower costs. DSIT provides security solutions from underwater threats to naval and marine based energy assets. For more information visit: <http://www.acornenergy.com>.

Safe Harbor Statement

This press release includes forward-looking statements, which are subject to risks and uncertainties. There is no assurance that Acorn Energy, Inc. or its operating companies will continue to grow their respective businesses, or that any of them will meet the expectations or execute the initiatives described or referred to above. A complete discussion of the risks and uncertainties which may affect Acorn Energy's business generally and the businesses of its subsidiaries is included in "Risk Factors" in the Company's Form 10-Q for the third quarter of 2013 filed by the Company with the Securities and Exchange Commission.
