About the Investor Summit

[The Investor Summit](#) is an exclusive, independent conference dedicated to connecting microcap companies with qualified investors looking for compelling investment opportunities. It is an opportunity to be introduced to and speak with management at some of the most attractive small companies, learn from various subject matter experts, and see what your peers are doing in this market. This quarter's event is focused on MicroCap companies who are undervalued and have a catalyst.

About Acorn (www.acornenergy.com) and OmniMetrixTM (www.omnimetrix.net)

Acorn Energy, Inc. owns a 99% equity stake in OmniMetrix, a pioneer and leader in Internet of Things (IoT) wireless remote monitoring and control solutions for stand-by power generators, gas pipelines, air compressors and other industrial equipment. OmniMetrix serves tens of thousands of commercial and residential customers, including over 25 Fortune/Global 500 companies, supporting cell towers, manufacturing plants, medical facilities, data centers, retail stores, public transportation systems, energy distribution and federal, state and municipal government facilities and residential backup generators.

OmniMetrix's proven, cost-effective solutions make critical systems more reliable and also enable automated "demand response" electric grid support via enrolled backup generators.
